

NEW

High Performance XPS Underlay for Wood & Laminate Floors

23dB SOUND REDUCTION

SUPERIOR LEVELLING TECHNOLOGY

HIGH INSULATION PERFORMANCE

5mm  for excellent performance on concrete or wood subfloors

- ✓ High compression strength providing total support for flooring joints
- ✓ Eliminates minor floor imperfections
- ✓ High insulation performance
- ✓ Improved sound reduction up to 23dB

3-Way Insulation

Warmer

keeps cold out & warmth in: 2 Tog

Quieter

absorbs noise by 23dB

Drier

non-absorbing

Levels & Supports

Smooths

levels minor subfloor imperfections

Supports

& braces board joints

Resilient

withstands high loads $\leftarrow 10T/m^2$

Durable

mould resistant

- ✓ Environmentally friendly, manufactured from 100% recycled materials
- ✓ Lightweight, easy to transport, handle and cut
- ✓ Waterproof, will not rot or support mould growth
- ✓ Non toxic, polystyrene is hypoallergenic, odourless and dust free
